**May 17, 2008**

## What:

The Men's Action Camp is an opportunity for the men of Woodbury Lutheran to get together in a community environment engaging in activities that guys like to do together. This event is taking the place of the Men's Retreat this year. It is an effort to make men's ministry at WLC accessible to more of the congregation and community by lowering the cost, time commitment, and you get to sleep at home. It is a great chance to get friends together, meet new ones and invite others to join you doing things you love to do. The day will wrap up with a BBQ contest for dinner, and cards and fellowship to follow into the evening.
